GOVERNOR GRAY'S DERBY

TREMENDOUS CROWD SEES SON OF GARRY HERRMANN BEAT THE NIGGER.

Winter Meeting at Jacksonville Comes to Close Under Auspicious Circumstances-Prospects for Further Racing at Moncrief Good.

Jacksonville, Fla., April 1.—Coming from behind with a brilliant burst of speed Governor Gray, the Garry Herrmann colt that Capt. J. T. Williams brought here, today won the rich American Derby, the most valuable race run here this winter. Governor Gray was ridden by jockey Byrne, trailed his company until entering the homestretch, then moved up in resolute fashlon and, wearing The Nigger down, got up in the final strides to win by a scant half length. The mile and a quarter was run in 2:04½, representing a new record for the distance over the Moncrief Park course.

A tremendous crowd turned out to witness the running of the race. The fact that it was the closing day of the long winter meeting and also that it might be the last opportunity for witnessing the racing of thoroughbreds in this state, furnished additional incentive for race-goers to turn out. Long before the horses were called to the post for the first race the big grandstand was filled, and before the running of the Derby, the management found it necessary to permit the overflow to go into the infield so that they might be able to get a better view of the struggle. There were five starters. The Nigger and Star Charter were the pair that carried the major portion of the money wagered on the race.

better view of the struggle. There were five starters. The Nigger and Star Charter were the pair that carried the major portion of the money wagered on the race.

The Nigger opened favorite, but finally the Schorr cott held the post of honor. Starter Dade cantioned the boys when they reached the post and they gave him but little trouble, the field being sent away to a splendid break after being there two minutes. The Nigger, showing good speed, dashed to the front and in the run around the first turn drew into a lead of a length, Dr. Duenner showing second a neck in front of Star Charter.

When straightened out on the backstretch, Brannon shook up Messenger Boy and the colt, showing a surprising burst of speed, moved up to the leader without much effort and at the half mile post was lapped on him. The pair raced like a team around the far turn and into the homestretch. Then The Nigger again drew clear, but just as he appeared to have the race well in hand, Governor Gray loomed up as a factor. The latter closed with splendid courage and, gaining steadily, got up to win going away. Although beaten, The Nigger rau a splendid race, as did also Messenger Boy. There were some who thought that the latter would have won had Brannon waited longer with his mount.

With the running of today's program the long winter meeting at Moncrief Park came to a close. The sesson this year was two weeks shorter than that of last winter, but at that extended over 11 days of racing. There is much speculation here as to the future of the sport in Florida, but the chances are that the horsemen will be here again next winter for a much shorter season. The outlook seems much better for the sport than it did a few weeks ago. The local people have gotten together and are working in unison. Regardless of what action the Florida Legislature may take, there will be racing at Charleston proposition is being backed by some substantial men and H. D. Brown, who is behind the plan to re-establish racing in Havana, promises to build a fine, modern tr

behind the plan to re-establish racing in Hayana, promises to build a fine, modern track at Almandares.

As to the racing here this winter, it was good. Except in a few instances, the sport was free from scandal and the phenomenal success of the favorites enabled the public to win. It is doubtful if more than three or four of the many layers who have booked here quit winner on the season. Some of them lost small-sized fortunes. Of the big operators, C. R. Ellison is reported a good winner, although he has not been as successful recently as he was earlier in the season. Phil Hymes has been exceptionally successful of late by sticking to jockey T. Koerner's mounts. The latter has been riding many winners and Hymes has profited handsomely over the victories of some of them. Joe Yaeger has been in bad form all winter. Jack Sturgis quit a bit winner when he departed for Hot Springs a couple of weeks ago. Frank Kittleman has been winning with a regularity that has disgusted some of the layers. Tom Shaw has had a disastrous winter, as have also M. Wolfgang. Peter McGrath and E. J. Callahan. Joe Rose has been successfully making a big book since his arrival from California. "Little Pete" Christensen and Joe Hayman are among others that have found it profitable here.

The financial results of the meeting have been highly satisfactory to the Florida Live Stock and Agricultural State Fair Association. Despite the \$2 admission fee, the crowds have been large and the chances are that the profits will be equal if not exceed those of last winter. The management has been liberal with the horsemen and the purses have been informly good. The starting has been excellent and all the officials have performed their duties Wells.

lent and all the officials have performed their duties wells.

Harry White, the local paddock judge, has arranged for special trains from here to various rareing points. He has succeeded in obtaining forty Arms horse cars from Chicago and they will go to make up the three specials that will leave here next week. There were 961 horses quartered here this winter and about 850 are still on the grounds. The first special that will pull out will leave for Norfolk at 11 o'clock Monday morning, and will arrive at the Jamestown Jockey Club's chute Tuesday noon. It will be made up of fourteen cars and will include the following stables: W. P. Austin, I. B. Bradfield, R. Long, R. Bauer, G. A. Bronder, Beverweck Stable, J. Ross, Babcock & Gardner, M. Burns, A. JUAREZ TO CLOSE TODAY

RUNNING OF DERBY WILL BRING MEXICAN MEETING TO AN END.

Round the World Rules Topheavy Favorite and Probably Will Be Opposed Only by Uncle Ben, Bettie Sue and Jim Basey.

El Paso, Tex., April 1.—For the last Ladies' Day and Saturday of the season one of the largest crowds of the meeting attended the races at Juarez today. A well-balanced card was provided by the management, the feature of which was a handicap at seven-eighths of a mile. Quartermaster, one of the developments of the season, was accorded the post of honor in the betting, although closely pressed by the California star, Jim Basey, many pinning their faith to the Schreiber colt on account of his having the benefit of Molesworth in the saddle. The race proved one of the best contests seen recently and resulted in a hair-raising finish, Molesworth outriding McGee in the final strides.

Rosey Posey ran a most remarkable race in winning the opening dash, the saddle girth breaking an eighth from the finish. Her rider was clinging to her mane as she ran past the judges.

Harry Morrissey acted as starter today in the absence of Mars Cassidy, who left for Jamestown last night. His work was of the gilt-edged order during the afternoon. The second running of the Juarez Derby is scheduled for tomorrow and probably will have a field of but four starters—Round the World, Bettle Sue, Uncle Ben and Jim Basey—although others are named to go. The Yanke filly will undoubtedly be a topheavy favorite and will be ridden by jockey McGee. T. Rice will be in the saddle on Bettle Sue, Molesworth on Uncle Ben and J. Glass on Jim Basey.

Sam Kline, general manager of the Albuquerque Raeing Association, announces that a meeting will be given there beginning April 15 and continuing for fifteen days, with a possible extension. Officials for the meeting will be announced later. There will be fifteen days, with a possible extension. Officials for the meeting will be announced later. Breeding Operations on Extensive Scale,

Lexington, Ky., April 1.—Irving H. Wheatcroft, master of the St. James Stud and a director in the Kentucky Association, returned to Lexington this week from El Paso, where he spent the winter. The horses that raced in his colors at Juarez are to come to the local track on the special train that will leave El Paso next Mouday evening. His Kentucky Derby candidate, Marlborough, and his best two-year-olds. King Broomstick and Embracer, are in Henry McDaniel's string and will be campaigned by him at Lexington. Whoolsthorpe out of the English mare Carsona (dun of Carmaid and Mohicam), by Addeu, a son of St. Simon and Farwell, by Doncaster, was highly tried as a yearling, but was not started as a two-year-old, first because of sickness and latterly because Mr. Wheatcroft's decision to reserve him for racing as a three-year-old. Trainer McDaniel is giving him as low and careful preparation and he will probably make his debut during the Kentucky Association's spring meeting, he being eligible to the Candeu Handicap at one mile and a quarter to be run May 6, and in which he will probably get his Derby tryout. King Broomstick and Embracer are magnificent thoroughbreds in appearance and the former, a son of Broomstick and Esteem (dann of Maid, winner of the state of the properson of the racing and horses in training for sale here last September, Mr. Wheatcroft announced a reserve of \$5,000 for King Broomstick, but there were none at the ringside who would bid in advance of that sum. PROPOSED RELIEF FOR NEW YORK.

PROPOSED RELIEF FOR NEW YORK.

Albany, N. Y., April 1.—The Legislature, following the election of a United States senator yesterday, took a recess until April 17. when it is expected that the quarters of the Assembly and Senate, damaged by fire a few days ago, will be in condition for occupancy. When the Legislature reconvenes, Senator Brackett of the Saratoga district will introduce in the upper branch, in which he figures as the minority leader, a bill similar to that already presented in the lower house by Assemblyman Martin of Saratoga to relieve officers and directors of racing associations from personal liability for violation of the so-called anti-betting laws. The bill proposes to strike from the present law the words "or any other enclosure or place," also the words "or the officers." It amends the penal law in relation to keeping gaming and betting establishments as follows:

Sec. 973. Keeping gaming and betting establishments. Any corporation or association (or the officers) thereof or any copartnership or individual, who keeps a room, shed, tent, tenement, booth, building, float or vessel (or any other enclosure or place), or any part thereof, used for gambling, or for any purposes or in any manner forbidden by this article, or for making any wagers or bets made to depend upon any lot, chance, casualty, unknown or contingent event on the future price of stocks, bonds, securities, commodities or property of any description whatever, or for making any contract for or account of any money, property or under any action so paid or wagered, or being the owner or agent, knowingly lets or permits the same to be so used is guilty of a misdemeanor. This section shall not be extended so as to prohibit or in any manner affect any insurance made in good faith for the security or indemnity of the party insured and which is not otherwise prohibited by law, nor to any contract or bottomy or responsentia. Sec. 2. This act shall take effect immediately.

PENSACOLA PATRONAGE LIGHT.

Pensacola, Fla., April 1.—The running of the closing race developed a bad accident and injury to jockey Donovan, who had the mount on Pleasing. The latter was in a forward position approaching the second turn, when she suddenly tripped and fell. Jockey Donovan was thrown heavily, but was seemingly uninjured until in the act of rising he collided with Dr. Paul, which had been trailing, and caused the latter's fall. Donovan emerged with a broken arm and a sprained collarbone. A. Martin, who rode Dr. Paul, sustained minor bruises. There was a slight increase in patronage over yesterday, but the attendance was only of fair proportions. The speculation also showed a corresponding increase and the bookmakers lost heavily. Close mishes came with the running of most of the races and aroused some enthusiasm.

Elsie Van and St. Dunstan were the only successful choices and under normal conditions the bookmakers would have had a profitable day. The management confidently expects a big influx of racegoers from Jacksouville on Monday next. They also look for about five carloads of horses from the same point.

TRAINING INTERRUPTED AT LEXINGTON.

TRAINING INTERRUPTED AT LEXINGTON.

Lexington, Ky., April 1.—No horse has galloped over the Kentucky Association mile track since last Tuesday because of its muddy condition. The weather today, however, is bright and training operations will now probably go forward. There will be a big influx of horses from Juarez and Jacksonville next week. Every stall available at the track and nearby has been engaged and secretary G. D. Wilson is informing late applicants that the best he can do is to stable them at Versailles or Georgetown, twelve miles away and use the interurban lines for transportation when they have entries.

NOTES OF THE TURF.

Andrew Miller, steward of the Jockey Club, and secretary and treasurer of the Saratoga Association, has about made up his mind to go to Europe in May with Thomas Welsh to see Adam Bede run in the Epsom Derby and Bashti make a bid for the Oaks. Adam Bede and Bashti, respectively a son and daughter of the French stallion Adam, were bred by Mr. Miller and his partners in the ownership of the Millstream Stud. Francis C. and Ogden Bishop. Thomas Welsh developed both of the horses.

Thomas Welsh developed both of the horses. It transpires that a coterie of enthusiastic American lovers of the horse, including Judge William A. Moore, Alfred G. Vanderbilt and a half dozen others, furnished the funds for the purchase by the War Department of Justine, Duke of Ashleigh, Timbertlest, Tampico, Tony Lass, Chiswell, Quandary, Kuight of Elway and St. Nicholas II., to represent the United States Army at the forthcoming London Horse, Show. The horses are at Fort Myer, Va. where they will be schooled over jumps built and laid out on a course similar to that at Olympia.

GOVERNMENT SUPPORT FOR BUREAU.

Montreal, Que., April 1.—The Department of Agriculture of the Province of Quebec has notified the National Bureau of Breeding that the Government has decided to give the bureau a cash bonus of \$500 for each horse placed in this province.

MISSIVE ran in close up pursuit of the pacemakers to the stretch turn, from where he moved up and, in a game finish, outstayed PREMIER. The latter worked his way up on the outside and was under a hard drive all of the last quarter. LIGHT KNIGHT closed a big gap and would probably have won in a few more strides. PLUTOCRAY set a fast pace to the last sixteenth and tired, but finished resolutely, GOLDEN RUBY finished close up. NARNOC J. V. JR. ran a fast half, then tired.

Went to post at 3:08. At post 2 minutes. Start good. Won driving; second and third the same. GOVERNOR GRAY was waited with well back until in the last quarter, then moved up rapidly and, wearing THE NIGGER down in the homestretch, outgamed him in the final drive. THE NIGGER set a dazzling pace and withstood a threatening challenge from MESSENGER BOY, then hung on resolutely to the end. MESSENGER BOY ran a surprisingly good race and appeared dangerous at one time, but tired after a game effort for the lead. STAR CHARTER was always outpaced. DR. Despite unfavorable weather conditions the work of completing the improvements at the Downs progressed favorably during the past week and long before the date for the sport to begin on that historic course everything will be in readiness. The paddock will present a pleasing appearance, inaspunch as it has been removed to a point north of the old location and is now surrounded by a lawn and many trees. The jockeys' quarters have been redepartment have been enlarged and rendered more comfortable and commodious. All of the pari-mutued devices will be new and this part of the enclosure will resemble the counting room of a bank. The man who sells the tickets will also register them, which means that the ticket will also register them, which means that the ticket booths will be occupied by but one fudividual. Under the old system one man sold the tickets and another registered them.

Churchill Downs' pari-mutuel equipment for the

spring meeting will be a vast improvement over that of the past. In all twenty-one machines will be in operation. These will be of the latest design, embracing the perfection of detail. These devices are twice as large as the antiquated makeshifts used heretofore. Each will show the total sales and the man in charge will register the transaction simultaneously with the delivery of the ticket to the purchaser. There will be no "clicker," one operator thus doing the work of two. Ten of these machines will be established in the Downs' betting ring next week and eleven others will be installed later.
